

BOUNDLESS

2026

Women's Habitat of Etobicoke has been a part of the South Etobicoke community - helping women, children and youth who are survivors of abuse - for nearly fifty years. We provide safety planning, emergency shelter, basic necessities, along with trauma-informed counselling, advocacy, referral services, and a wide range of services to help women and their children and youth establish sustainable livelihoods.

SPONSORSHIP PACKAGE

Why this event matters

Every woman deserves to live free from fear.

Every child deserves the opportunity to grow up in a safe, nurturing environment.

Every family deserves the chance to heal, rebuild, and thrive.

Boundless 2026 brings together community leaders, businesses, philanthropists, and changemakers for an inspiring evening dedicated to hope, resilience, and lasting impact.

Together, we raise vital funds that provide life-changing programs and services for women, children, and youth affected by violence. Every contribution helps transform lives, strengthen our community, and create brighter futures.

Why to support Boundless 2026

Meaningful change doesn't happen alone. It happens when compassionate organizations and committed community members come together with a shared purpose.

As a sponsor, your partnership helps:

- Provide emergency shelter and safety for women, children, and youth escaping violence.
- Deliver trauma-informed counselling, advocacy, and support services.
- Empower women through education, life-skills development, and pathways to independence.
- Invest in prevention and community education that help break the cycle of violence.

Your sponsorship is more than a financial contribution, it is an investment in safer families, stronger communities, and a future where every woman, child, and young person has the opportunity to thrive.
